Based on data reviewed from 22 countries in Europe and North America

Model Year

This term is Defined by the manufacturer but it is typically the year the vehicle is built. If the model year does not appear on the CheckCraz report, it is because the manufacturer did not include this information in the VIN. Model year can normally be determined by the vehicle age.

Quick Check

A snapshot of the information Checkcarz has abstracted from our extensive database to determine whether a vehicle has been reported stolen, reported scrapped, publically imported or ever used for non-personal purposes. This summary is based upon all the information supplied to CheckCarz from various sources. Additional information aout this vehicle, including these potential prolems, may exist and may not have been reported to CheckCarz.

Vehicle Reference

User-provided value to identify the vehicle during CheckCarz Vehicle History Report retrieval process and to confirm vehicle identity on the report itself.
